I have reserved a GOV for the meeting this Thursday at MassDEP Lakeville - this is the EPA and State only meeting to discuss the Aerovox Phase III and prep for the meeting on the 8th that will include AVX and CoNB. As I understand it, Steve Wolf of the Corps and Mike Morris of Jacobs will also be attending for EPA. Let's meet under the clock at 8:30am. I have not yet reviewed the draft comments that Angela sent last week.

Remediation & Restoration II Branch
U.S. EPA Region 1 – New England
